

## Web 2.0 for Authors

What is Buzz Marketing?

It's when your target marketing is hearing about you through their Social Media Networks!

We call it Social Herding....

We use Squidoo, Hub Pages, Facebook, MySpace, DIGG, YouTube and much more.

If you would like to find out how we can create a BUZZ for you, please send an email with that word in the Subject Line to:

[susan@joomlajump.com](mailto:susan@joomlajump.com)
