There are several ways to blend traditional press releases with keyword strategies that Build Online Buzz!

For as little as \$169 you can have your press release distributed to the most popular news wires including:

Or, you can have a search engine optimized release submitted at a fee of \$249 by doing keyword research first.

This "advanced user only" service is for press releases that have already been search engine optimized or for those who desire the SEO TOOLS advanced features. Please note this is also the base PRWeb Direct package for the inclusion of keyword rich anchor text links.

Ask about our services prior to submitting.
